Registered Valuer · Securities or Financial Assets

True Value Corporate Advisory

26+	7+	1,500+
Years of professional experience	Years focused on valuation	Companies valued

Experience with a specialist focus.

A member of the Institute of Chartered Accountants of India since 1998, CA Manish Gadia has over 26 years of professional experience as a partner at M/s JMP Associates, a Chartered Accountant firm (FRN 324235E). Practising since 1999, his work spans valuation services, internal and statutory audit, taxation, ERP systems implementation, and management and financial consultancy across industries.

He is an independent Registered Valuer with the Insolvency and Bankruptcy Board of India (IBBI), specialising in Securities or Financial Assets, and is also registered with the ICAI Registered Valuers Organisation.

With more than 7 years of valuation expertise, he has undertaken valuations for over 1,500 companies. His work includes business and intangible asset valuation, convertible and non-convertible securities, ESOPs, Sweat Equity shares, and mergers and acquisitions.

His valuation experience includes assignments for companies based in Dubai and Malaysia, alongside businesses across India.

AREAS OF WORK

Business, securities and transactions.

Business valuation

Valuation of businesses and equity interests, informed by commercial context and financial analysis.

Securities & employee ownership

Convertible and non-convertible securities, ESOPs and Sweat Equity shares.

Intangible assets

Valuation of intangible assets for business and transaction requirements.

Mergers & acquisitions

Valuation experience supporting mergers, acquisitions and corporate transactions.

Valuation across industries.

Power & Infrastructure · Iron & Steel · Real Estate · Cement · Engineering · Electrical Appliances · Food · Pharmaceuticals · Pharma Equipment · Fintech · Education · Jute · Garment · Retail · Cold Storage

PROFESSIONAL BACKGROUND

Experience beyond valuation.

Practising since 1999, with a focus on audit, management services, taxation and valuation.

Systems & internal controls

Designing systems focused on internal controls and effective management information system (MIS) reporting.

Business consultancy

Supporting businesses from conceptualisation through implementation, including business plans and taxation advice.

Funding & financial planning

Business fund planning and loan syndication with public sector banks; preparing profit and loss forecasts, cash flow forecasts, projected balance sheets and sensitivity analyses.

ERP implementation

Implementing ERP software for tea and garment businesses and retail chain stores.

Costing & product strategy

Costing analysis and product strategy, with experience working with garment retail chains.

Audit, diligence & procedures

Statutory, assurance, internal, concurrent and stock audits; due diligence and drafting standard operating procedures (SOPs).

His retained consultancy work has covered garment and engineering businesses, hotels, tour and travel operators, food and retail businesses, automobile ancillary companies, banking and finance companies, pharmaceuticals, real estate developers, transporters and a co-operative bank.

Sharing knowledge with the profession.

A frequent speaker on valuation services, he has addressed professional platforms including ICAI-EIRC, VIPCASC, BBD BAG CASC, Views Exchange – Kolkata, DTPA and Central Kolkata CASC. He has also contributed numerous articles on valuation to professional magazines.

He served as President of Views Exchange, a Chartered Accountants' study circle, for 2016–17.
